-Black or white frames are available - frames are 40mm wide with a contemporary flat profile.
-If there are size restrictions on how large a photograph can be printed, this is specified with each photograph in the panoramic catalogue.
-If there is no note about the size restriction, usually it can be printed up to size 4 (130cm wide).
-All photographs are the proportions of 4(length) : 1(height). However if a specific size is required, photos can be cropped to suit.
-Photos can be ordered as rolled photographs if required (rolled in a tube).
-Custom sized frames can be ordered if required, but generally not larger than size 4 due to weight & hanging limitations.
